Can we please sleep ?!
There's this kid at the kindergarten. She's just so cute !

I am not going to write tonight. I just want to sleep !

I drank with Jur whose blood was alcohol itself.

My second mistake was ...

Do not upload my projects to online manga readers.
My projects must remain free of profits.

Where were you last night? I prepared food for 3 people but you weren't there ...
Oh, my, thanks for the thought but I had nothing to do with it, so I stayed away.

Um ... if so
May I ask where you were last night ?
Is he worried about me? What a nice guy.
I have a friend nearby, so I went there for some chit-chat.
Is this going to be alright for you to do every time?

Well, thanks for having the decency to be away.
But I will really feel sorry for you if you have to be away every time I visit her.

I was going to tell you sooner but she is going to have a new project in the next month. She will need some privacy to focus. Right now it's okay since she's free.
She gets really cranky once she starts to focus on willing and can't even tolerate small noises. I do realize you two are close but ...

I am just worried that.... well, your presence might prove to be a distraction ... She's having a hard time already.
I haven't told her about this. These are just personal concerns that I have.

Either way, I don't think it looks good on you that you are ... borrowing your hubae's place.
움찔
I hope you will find your own place soon... It's worrying that you went to a friend's place to drink and chat.

that I had such a sucky conversation in the morning.

And my third mistake was ...

I should have never let her stay.

My third mistake was I let her stay.

Anyway, I thought he was a pretty loose guy...

But he really cared about Sur ...

I've ... heard lots of things in my life...

But ...

Why would no one care about me like that ... ?

Why would no one say sweet things to me ...
